and exciting report !!!

## **Handbooks for 315/319, 327 and 328 cars**

We are currently investigating the reproduction of the 315/319, 327 and 328 handbooks to the original specification, with the lovely bound covers - some of you will already have a copy, or even an original!

Well, we have now got to the tricky bit...how many shall we have printed? We would really like to gauge the level of likely orders so we do not lumber the club with enormous costs and huge levels of stock. The cost of each handbook is likely to be somewhere between £30 and £40. Please, if you are thinking of, or likely to, buy one please register your interest with John Muschamp either by post at the Club's address or by e-mail on [chairman@bmwhistoricmotorclub.co.uk](mailto:chairman@bmwhistoricmotorclub.co.uk)

Also, if you know of anyone in other clubs worldwide who might be interested in promoting this to their clubs then please feel free to pass on this message.

## **More good stuff... BMW Historic Motor Club goes technical...**

For the first time, journalists, auction houses and restorers will now be able to visit the new website for BMW Historic Motor Club [www.bmwhistoricmotorclub.co.uk](http://www.bmwhistoricmotorclub.co.uk) and obtain **facts and technical specifications** of each model produced.

Not only are there images of each model, there is also an in-depth fact sheet covering original engine, transmission and chassis dimensions, as well as other information, such as how many were built and when.

The BMW Historic Motor Club, formed nearly three years ago, is proud to boast that out of all the eligible cars in the UK over 80% of their owners are members of the club.

The club has 6 events a year, with write-ups and pictures of the cars, and their owners, at each of these meetings, published in the Club magazine.

## **The Chairman, John Muschamp, notes that:-**

the October issue of Classic and Sports Car, in describing this year's Silverstone Classic

Event mentions the Club's display thus:- "A little corner of Bavaria overlooked the Luffield complex: an almost complete range of pre-war models from the BMW Historic Motor Club, plus Richard Wills" sublime 507..."

## **Rallye Korsika**

The Club has received details of the Rallye Korsika taking place between 3rd and 12th May 2010.

The rally is being organised by Klaus Höllstern who used to organise the main BMW Veteranen Club rallies which were always excellent. The event is open to all makes of car registered before 1980. If anyone is interested in entering please contact John on [chairman@bmwhistoricmotorclub.co.uk](mailto:chairman@bmwhistoricmotorclub.co.uk)

## **Gary Pusey in DXV 3 FN-BMW 328. 85087**

"Drove down to the Bristol owners" Club concours yesterday in DXV...the car performed faultlessly...won the Members" Trophy for pre-1960 BMWs and Bristol-engined cars. The pot is engraved "BMW Car Club" and the first winner was Ralph Hewitt in 1957...Tony Hutchings is on it as well...it was handed over to the Bristol Owners" Club in 1970 - it's rather nice...The trophies were presented by Lady White and her son...Andrew Mitchell was there in his special..."

*(Members descriptions of their exploits are always welcome - Ed)*

### **2009 Events Calendar**

**9th – 11th October – Anniversary week-end in Cheshire –** this year's anniversary weekend will be spent in the lovely county of Cheshire (the Surrey of the North!), based at the stunning Wild Boar Hotel, near Tarporley, just off the A49. [www.wildboarhotel.co](http://www.wildboarhotel.co).

We have secured an excellent rate of £119.50 per night per double room, inclusive of dinner bed and breakfast (£79.50 for a single). On Saturday, we'll visit Quarry Bank Mill in Styal, [www.nationaltrust.org.uk](http://www.nationaltrust.org.uk)., until recently a working cotton mill. Here you can experience hands-on exhibits and view demonstrations of cotton processing, gaining an insight into the lives of the people

who worked there. You will be amazed by the sounds and smells of steam and water-powered engines and see the most powerful working waterwheel in Europe.

Organiser: Catherine Webb.

### **6th November – Pre-Goodwood Sprint Dinner, Comme ça Restaurant, Chichester on the eve of the AC Owner's Club Sprint at Goodwood.**

Since 1998 the Club has organised a Pre-Event dinner for drivers, members and their spouses. Recently the function has been held at the Comme Ça Restaurant, Chichester.

We hope that you can join us for dinner; if you can get a party together, so much the better. If so please contact Ken MacMaster ASAP. His office telephone number is 08707 590799.

It has been agreed with the joint proprietors of Comme Ça Restaurant, to provide final numbers by Friday 23 October. The total price for the evening, which includes a three course dinner, coffee and petit fours, together with service charge, will be £36.50 per head

### **7th November – AC Owner's Club Sprint at Goodwood** with a class for the BMW Historic Motor Club UK

Once again the AC Owners Club has agreed to provide a separate class for Historic BMWs at their 2009 Goodwood Sprint Meeting.

Our own Club will provide a trophy for the best performance by a Historic BMW on handicap, to encourage entries from members driving less sporting machinery. Regulations and entry forms have been sent to members who compete on a regular basis but, if anyone else requires details either for competing or spectating, will they kindly contact Ken MacMaster at Insetton House, Belbroughton, Nr. Stourbridge, West Midlands DY9 0BA  
Tel: home 01562 730798, work 08707 590799.

## **2010 Events Calendar**

### **Pre-Brooklands Driving Tests January 2010**
